

HARRISON

MEDICAL CENTER

GREAT THINGS HAPPEN AT HARRISON MEDICAL CENTER!

- A 20 year accredited cancer program
- A 58 minute door-to-balloon time
- Our cardiothoracic surgery program ranks among the state's best and has earned a Health-Grades Cardiac Surgery Excellence Award. Patients consistently rate our heart surgeons and heart care unit in the 99th percentile.

What our patients have to say:

- I was very impressed with your staff and how comfortable they made me feel.
- I've visited many, many hospitals over the years and have to say that the staff at Harrison is by far the best. Thank you to everyone.
- Thank you – to the staff, volunteers, and others who made my husband's stay so pleasant. You were not only wonderful time, which made him recover quickly from his pneumonia, but you were also so kind to my family and our many friends.
- I want to congratulate you on the caliber of your employees, and their prompt attention. Your physicians, nursing staff, and others were wonderful.
